### 2.1. Schedule and Dates

This intensive training extends over a total of 13 hours and is divided into 4 sessions.

You can find the current dates in the course description on our website at:

<https://www.ikp-metamodern.com/kurse-buchen/termine-buchung/neurographik/ng-spezialist-en>

## 3. Registration, costs, requirements, proceeding

### 3.1. Registration and Costs

After your binding registration and receipt of payment, you will get immediate access to the recordings of the NeuroGraphica® Basic and Specialist Course (as far as available) via closed Facebook groups, so you can start at any time. You can also attend the next live webinars of the NeuroGraphica® Basic and Specialist Course and repeat the courses as often as you want for free.

We are currently working on a system update and access to the webinars and recordings will be available via the members' area of the Institute's website after the changeover. The exchange of participants will then continue to take place via the closed Facebook groups.

Detailed information about payment conditions and the availability of the course content can be found in our General Terms and Conditions ([AGB](#), available in German language).

**Course Fee is 690,00 €.** For possible discounts see the Institute's website.

### 3.2. Prerequisite for participation

**Prerequisite for participation is a NeuroGraphica® Basic Course certificate**, which enables you to master the alphabet and grammar of NeuroGraphica® before entering the NeuroGraphica® Specialist Course, in particular the basic algorithm and the 1<sup>st</sup> algorithm (Lifting Inner Constraints). This knowledge can still be acquired before the start of the NeuroGraphica® Specialist Course using the recordings and live courses at the Institut für Kreativitätspsychologie and can be booked directly with this course. A later participation in the corresponding live webinars is obligatory for all participants who initially only worked with the recordings.

### 3.3. Course of Events

All participants get access to the private Facebook groups for questions, exchange of experience and communication with the instructor. All live webinars and supervisions take place on the Zoom webinar platform – the access data will be provided in due time before the start. The recordings of the webinars are made available in password-protected presentations via the online video portal Vimeo.

## 4. Course completion and certification through IKP (Institut für Kreativitätspsychologie)

After completing the course, you have about a month to submit your work for internal certification. The exact submission date will be communicated in the course and can be individually adjusted when booking additional individual supervision, as the portfolio must then be ready by the agreed supervision date. The following steps are required to receive the certificate:

## 4.1. Portfolio of your own work as well as those from the cold & warm coaching sessions

- A selection of your own drawings produced during the course, as well as your clients' drawings from the cold and warm coaching, are combined into a presentation as described in the "Specialist Portfolio" template (one file only, delivered as a PDF document).
- Please save your file using your first and last name and the addition "Portfolio Specialist".
- Send the file with the subject: "Your name / Portfolio Specialist Course No. ..." via [WeTransfer](#) or [SwissTransfer](#) to [office@ikp-metamodern.com](mailto:office@ikp-metamodern.com) or upload it to the members' area of our website (if available).

## 4.2. Document Review by the Institut für Kreativitätspsychologie

After your portfolio has been reviewed (improvements may be required) by the Institute and confirmed, you will receive the NeuroGraphica® Specialist certificate and will be awarded the rights of the NeuroGraphica® Specialist with certificate, mentioned in 5.2 below.

## 5. Rights of use according to the level of training
